LORING, PAULE STETSON  
b. Portland, 1899

Mr. Paule S. Loring  
Wickford  
Rhode Island

Dear Mr. Loring:

Mr. Nathan C. Fuller has very generously remembered the Maine Author Collection by presenting to it your delightful and hilarious books of sketches. This is, as you may know, a permanent exhibit of books by Maine people, or books about the state. Most of the books are inscribed presentation copies, and we gather for the use of students and visitors biographical and critical material about our authors.

You are, we read, a Maine native, but we seem not to have biographical information about you. Would you be so kind as to let us have a few pertinent facts of this nature?

LANCELOT is the latest book, and we are quite captivated by the little swordfish.

Sincerely yours

hmj

Dear Miss Jacob:

My husband asked me to send you this copy of the American Artist which has a story about him, October issue, 1959, page 38.

It might be of interest to you that he is listed in a number of reference books, such as: Who's Who in America, Who's Who in the East, Blue Book of World Notables, Who's Who in American Art, etc.

If there is any further information that you would like to have about him, please do not hesitate to write.

We do very much appreciate your interest and we are very happy that you enjoyed LANCELOT, THE SWORDFISH.

Very best wishes.

Sincerely,

*Virginia M. Loring*
